Summary of Legislation: The bill makes it a Class C misdemeanor for the driver of a school bus to use a strobe light other than: (1) between sunset and sunrise; (2) under unfavorable atmospheric conditions; or (3) in emergencies.

Effective Date: July 1, 2007.

Explanation of State Expenditures:

Explanation of State Revenues: If additional court cases occur and fines are collected, revenue to both the Common School Fund and the state General Fund would increase. The maximum fine for a Class C misdemeanor is \$500. Criminal fines are deposited in the Common School Fund.

If the case is filed in a circuit, superior, or county court, 70% of the \$120 court fee that is assessed and collected when a guilty verdict is entered would be deposited in the state General Fund. If the case is filed in a city or town court, 55% of the fee would be deposited in the state General Fund. In addition, some or all of the judicial salaries fee (\$15), the public defense administration fee (\$3), the court administration fee (\$2), the judicial insurance adjustment fee (\$1), and the DNA sample processing fee (\$1) are deposited into the state General Fund.

Explanation of Local Expenditures: A Class C misdemeanor is punishable by up to 60 days in jail. The average daily cost to incarcerate a prisoner in a county jail is approximately \$44.

Explanation of Local Revenues: If additional court actions occur and a guilty verdict is entered, local

governments would receive revenue from the following sources: The county general fund would receive 27% of the \$120 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. If the case is filed in a city or town court, 20% of the court fee would be deposited in the county general fund and 25% would be deposited in the city or town general fund.
